6. Water Usage Report by Michael Lata

- 148 Ridge Road - Control Meter/Endpoint
- 927 East Walnut - Customer Service Line Repair
- Leak Survey on distribution system. - (3) customer services (repaired)
(1) 2" main line in front of Greco Wellhouse. Working on schedule with Jackman.
- Well line leak behind Edgewood Wellhouse temporarily repaired.
Need to complete replacement of both galvanized lines.
- Control - Sounds of air in piping below. When the well shuts down, pressure down stairs drops and should stay. Could be low in well discharge piping, check valve or hole in line from ballfield to Control Room. But no air entering the system.
- Generators working overtime as of late. Good thing we have.
- CCR Completed. Post to webpage.
- Meeting with Badger to go over Verizon switch on 9/18/26.
- Tyler is moving on and Gage Lata (T1/W1) & Mike McCreary (T1/W1) will be joining the team. They both work in the industry and have worked on the side with me for many years. They just completed the Advanced Water Treatment Course and will be sitting for their (T2/W2) Licensing. Excited for this.

7. Treasurer's report Tom approve, Jack 2nd

8. Old Business none

9. New Business Generator in control building

10. Adjournment Jack approve, Tom 2nd
